## **INVITATION TO JOIN OUR PRO-STAFF SALES TEAM**

### **BECOME PART OF OUR FAMILY**

You have been selected to become a Pro-Staff Sales Team Member because you have ordered one of our products in the past!

Have you ever wanted to have your own business? With the cost of living going up every month, your money is buying less and less. Pro-Tracker Archery is looking for archers and families who are looking for more disposable income to join our Pro-Staff sales team. As a Pro-Staff member we can provide you an opportunity to earn the extra money you need every month. There is no inventory to buy, no monthly fees. You can now earn money by simply talking about the products you love! Become a member of our Pro-Staff sales team today.

Every one of us is looking for more ways to generate more disposable income. When you join our Pro-Staff sales family it is easy to make friends selling products that every archer needs. You and your family can make money talking to friends and neighbors who love the same things you do. As an independent and exclusive Pro-Staff team member for Pro-Tracker Archery, you and your customers will have access to products only available through Pro-Tracker Archery. Our Pro-Staff dealership program is designed so that every time you sell products to someone you make money—that's right, on every order! There is no inventory to buy; Pro-Tracker Archery has the products in stock and we will be your warehouse. The Archery industry is the fastest-growing hunting sport and increasing at a rate of 10–12 percent per year. Archers need the products you will be telling them about. The opportunity is endless, everyone knows someone. If the customer you are talking to does not archery hunt he knows someone who does.

### **EVERYONE WANTS MORE DISPOSABLE INCOME**

Our Products are the best on the market. This business plan has been developed for the average person or family who wants to supplement their monthly income without the hassle of buying inventory. You never have to buy a product or use your garage as a warehouse. Your job will be to refer your friends and fellow archery hunters to Pro-Tracker Archery. Every time you or one of your customers orders products from our website you are securing your future in business and making money. We design and build our products using sound ethical guidelines with impeccable quality today's archer needs. Our products are engineered to withstand the brutal forces of nature. You will earn additional special bonuses every time your total Pro-Staff sales reach the next level.

## Our Exclusive Product Line

### PRO-TRACKER RECOVERY SYSTEM

## Here's How It Works

As a Pro-Staff sales team member, you will have a special Pro-Staff dealer number with access to our online portal for purchasing products and marketing materials to introduce your prospective customers.

There are no products to buy. The only thing you need to earn extra money each month is to be able to talk with your friends and family about our archery products. By talking about and selling our exclusive product line with them you can earn up to 30% on each order. You set the price!

Even though you do not have to buy any of our products to be a Pro-Staff sales team member we do offer a Pro-Staff Sales Kit, not required but recommended. Should you choose to purchase this kit to show your friends and family to help with selling, it will be available to purchase at even larger discount of 35% off. All products offered in this kit will continue to be sold at 35% off after initial kit it purchased. We want you to receive deeper discounts for replacing products you've sold.

You will be able to purchase this Pro-Staff Sales Kit at any time, up to 3 months, after becoming a Pro-Staff sales member. You can use this kit to sell directly to your customer on the spot.

## Additional Pay

### VOLUME BONUS

Making money doesn't stop there. Beyond setting your own sale prices, each time you order directly from your Pro-Staff portal the total order amount will go toward your Volume Bonus, excluding shipping. Each time you place an order as a Pro-Staff Sales Member you will be working toward our Volume Bonus levels. And as long as an order is placed every month, by you or your customer, you will receive the volume bonus. So don't miss a month!

At each new Volume Bonus level you reach you will receive a one-time payout for that bonus level from Pro-Tracker Archery in the form of cash or credit.

Every time your new customer orders from our website using your special Pro-Staff dealer number, your customer will receive 10% off their order, with 10% of the order total going toward your Volume Bonus.

### VOLUME BONUS

Level 1— \$5,000. <b>BONUS= \$200</b>
Level 2— \$10,000. <b>BONUS= \$400</b>
Level 3— \$12,500. <b>BONUS= \$500</b>
Level 4— \$20,000. <b>BONUS= \$1,000</b>
Level 5— \$100,000. <b>BONUS= \$5,000</b>

The bonus is paid out as each level is met. Bonuses reset on the anniversary of your enrollment.

A new order must be placed EACH month; missing a month will enroll you back to Volume Bonus Level 1.

### SIGNING UP A DEALER

If, after 3 months of consecutive orders, your Pro-Staff customer decide to become a Pro-Staff sales member you will receive a one-time THANK YOU bonus of \$100 after they've placed their first order.

You will receive a one-time THANK YOU sales bonus of \$750 for each brick-and-mortar store retail dealer who signs up. To qualify for this bonus, this retail dealer must place 3 orders 3 consecutive months in a row with an initial order of \$2000 or more with your referral Pro-Staff dealer number. Additionally, you will receive a 5% bonus each time your new dealer reorders. It will be important for you as their Pro-Staff sales member to visit their store often and give product demos. You will also find this option to be very rewarding. Every new Pro-Staff sales member will receive a Bad Boys hat and a Pro-Staff t-shirt.

Pro-Tracker Archery reserves the rights to change the program at any time.
